Banqueting Hall

CAPACITY 140

The biggest of our conference suites is sequestered on the lower ground floor, yet with natural light from high lattice windows. This is a large, adaptable space with its own private bar and dance floor and adjacent toilet facilities. It is an ideal venue for a wide variety of formal and informal occasions, including conferences and corporate training days.

The Library

CAPACITY 100

A long room with full-length windows opening onto the Terrace and overlooking the Trout Lake, this splendid, period library has the capacity to seat 100 delegates or guests. With four corner pillars and shelves lined with books and interesting artefacts, the Library is a characterful room, painted in warm shades of yellow. Double doors lead through to the adjacent bar.

Regency Room

CAPACITY 50

Directly opposite the grand central staircase, the Regency Room is an elegant space for a meeting or function. With its high ceiling and French doors opening onto the Fountain Garden, the soft blue-grey walls add to the restful feel. The stylish, drop-glass chandelier adds a contemporary note to this otherwise classically-furnished room.

Morning Room

CAPACITY 12

With its sunny outlook over the Fountain Garden through huge, mullioned windows and decorated in a soft palette of green to complement the original bird prints on the walls, the Morning Room is a calming space for a business meeting or intimate gathering.

Private Dining and Parties

These rooms are also available for private dining and family gatherings. Our menus make the most of the outstanding local produce from Devon and across the West Country. For larger occasions, restaurant event catering is also available. Please contact us to discuss your requirements.

Team Building

Outdoor team-building activities are also available within the 600 acres surrounding the hotel. Contact Kitley House Hotel for more details.
